ABOUT TYNE COAST COLLEGE

Tyne Coast College is driven by a **mission** to be outstanding, a **vision** to be world-class, and a **desire** to deliver the skills and training that will power the North East's economy into the future.

We are made exceptional by our brands, which include South Tyneside College, Tyne Metropolitan College, Queen Alexandra Sixth Form College, South Shields Marine School.

Our provision is market leading and created to deliver the workplace skills that allow businesses to grow and excel.

Innovative, and with ambitions to play a key role in the region's

economic expansion and prosperity, we are bigger, better and stronger by design, and superb links to employers guarantees that our wide ranging and expanding curriculum precisely targets their skills needs.

STUDY HIGHER EDUCATION WITH US

Most people think that Higher Education (HE) means going away to university to study, but that doesn't have to be the case and doesn't always suit individual circumstances. **University isn't the only route.**

More and more people are recognising the benefits of staying at home and studying HE at college. From saving money, to having a personalised experience, studying HE at college offers a more affordable route to a bachelor's degree – with the option to top up your qualification to a full honours degree at one of our renowned university partners.

Our students get the best of both worlds; excellent work-related learning to maximise career opportunities coupled with smaller classes, campuses both north and south of the river, greater support and a personalised, supportive environment.

IT'S ALL ABOUT
YOU

HIGHER LEVEL APPRENTICESHIPS

Higher level apprenticeships, the level after advanced apprenticeships, offer a variety of qualifications.

Higher level apprenticeships range from being equivalent to the first year of an undergraduate degree (a level 4), all the way to a postgraduate (a level 7). They are a great opportunity for anyone wanting to progress in their career, be part of a work-based learning programme and get a professional qualification. As follows:

- **Level 4 and 5** – equivalent to a higher education certificate, higher education diploma or a foundation degree.
- **Level 6** – equivalent to a bachelor degree.

Qualification
Business and Professional Administration
Engineering
Management
Accountancy
Care Leadership and Management

YOUR NEXT STEPS

If you would like to find out more about our range of **Higher Education programmes** and **Apprenticeships**, pop in to one of our Information Events.

You'll be able to take a tour of our facilities, discuss your options with our lecturers and industry experts, and find out more about studying Higher Education with Tyne Coast College.
